...Hey.
I understand if you're mad at me...

It's not that.

Huh?
I destroyed your life.

Okay... but I expected you to think I deserved all this.

Forget that.
I feel like I did something horribly wrong to you. I really regret it.
You have no reason to.

Even after what Radon did!?
I'm not follow-ing Radon, either.
I'm going off on my own! I know where the food is.

It's broken and the ten-sion never goes away...

CRASH!
...Radon, my sincerest apologies...
Yeah, yeah, you said that...

And I should be sorry.
I... did... leave you to die.

...No. No. You wanted your family to survive. I would have done the same thing. Promise.
I mean, Ez still did it. But...

Wasted Away?

Yeah...
We can stay here...
...for now.

SNIFF... SNIFF...
HMBLLEEE...

What on earth are you talking about? I did this to you BECAUSE I was angry at you!

That was WRONG!
A slip-up!
A mistake!
A SIN!
And I should feel terrible about it.

So... I'm going to say..

I'm sorry.

...I have to leave.

Leave? What do you mean?
I don't think I can stand to be here any longer.

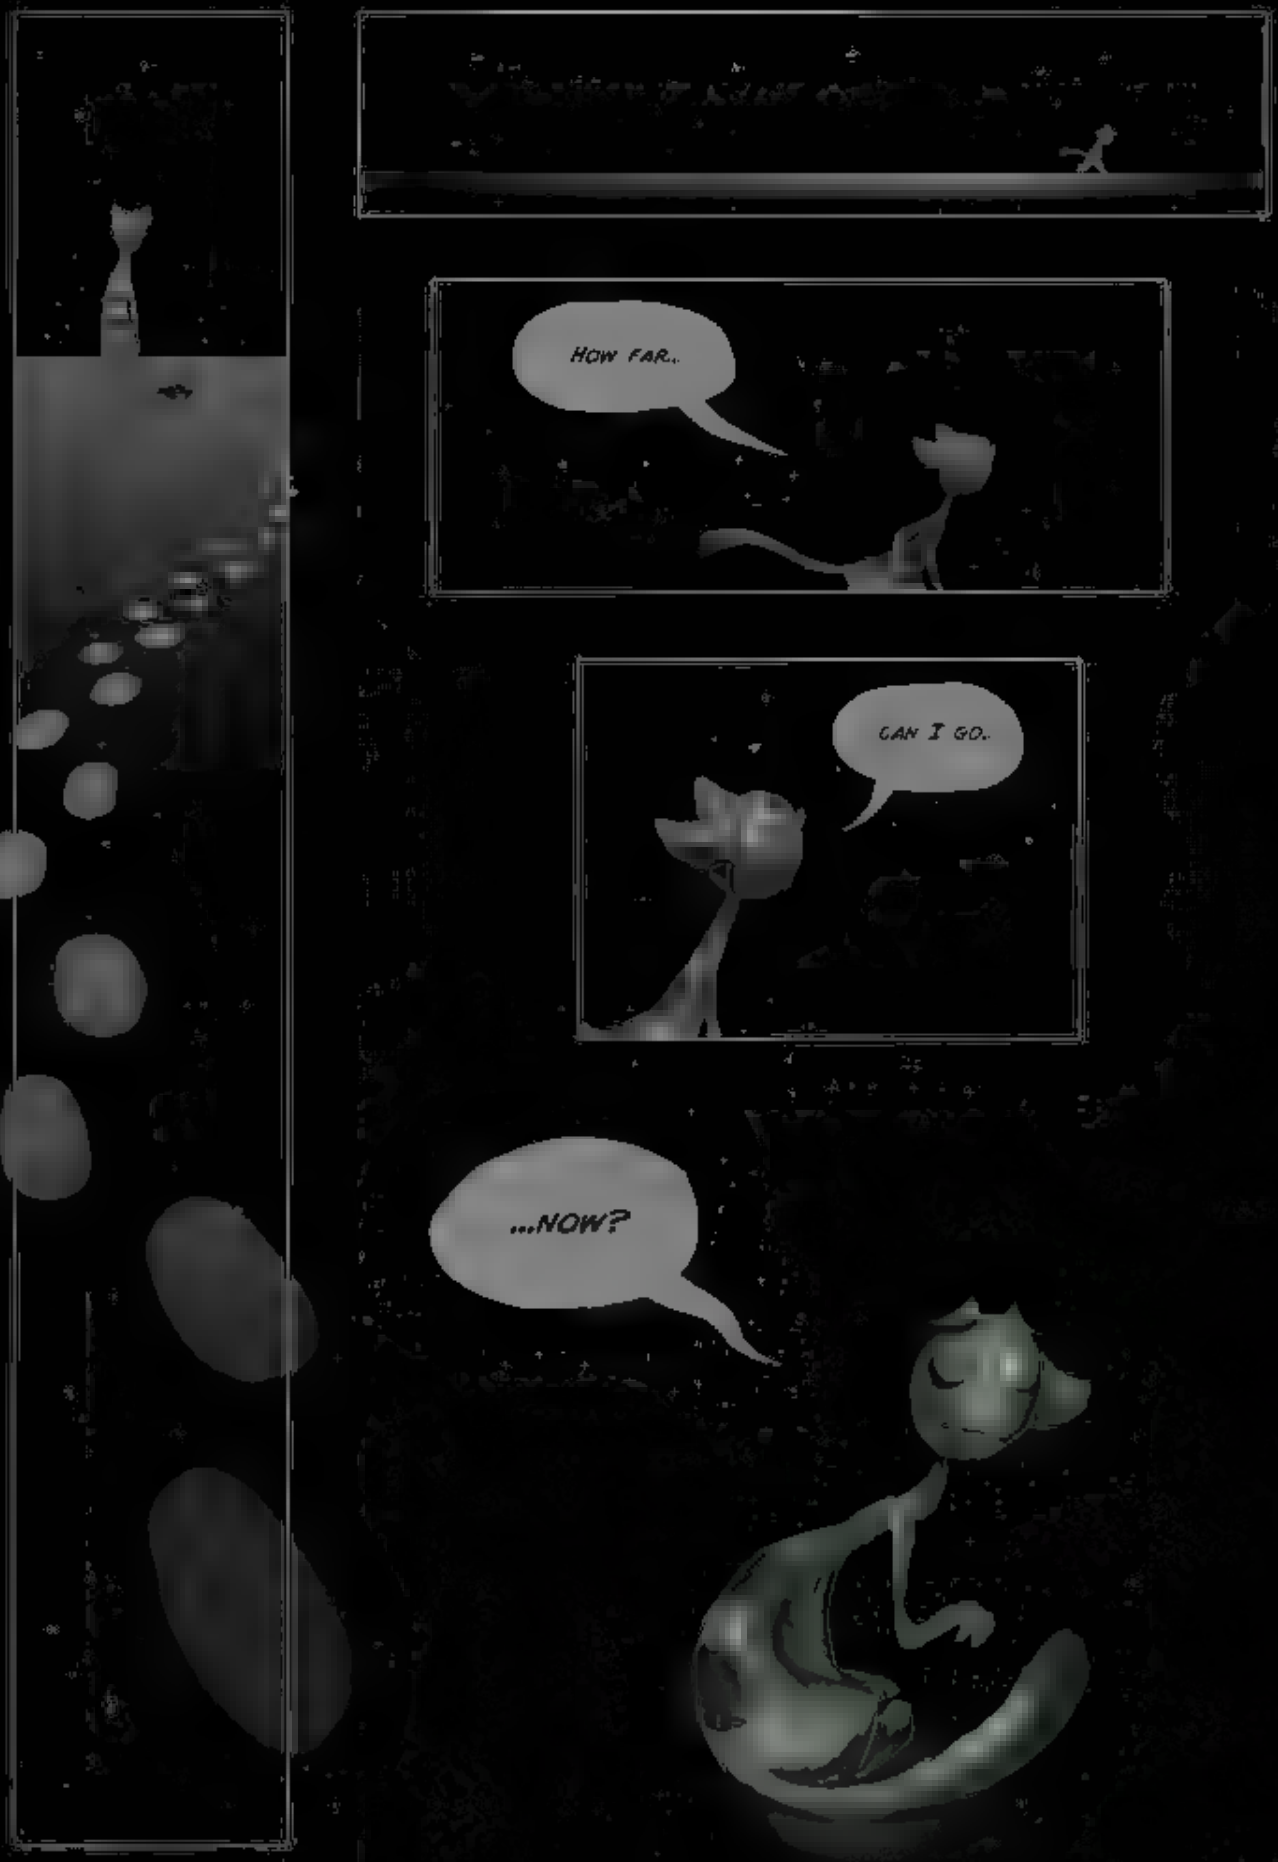
What? No, this place is perfect...
For you, I'm an alien. I don't belong here, and I can't share a mind with you...

Oh, come on, I'll let you stay-
No, Radon... I don't want to stay here, not in YOUR mind.

But you are a part of me! You can stay you know.

I don't think you under-stand.

Wasted Away



HOW FAR..
CAN I GO..
...NOW?

Radon? Why did you [redacted] here!?
I'm so glad I found you again. I searched everywhere!
What is it?
You don't understand, Radium. I realized you're NOT a part of my mind. You didn't feel like a projection.
I got to know you! You're complex and fascinating!
You even displayed remorse! You KNEW you did something wrong, so you left You have a sense of morality!
..So I went to find you [redacted]

Radon. I don't appreciate you following me. It doesn't matter whether or not you think I'm real. That's not the point anymore.
My entire world is you, and... maybe I am you.

If I can delete myself-

No! Come on. We can work something out, I promise...

If I don't, I won't ever know who I really am.
